Data contained within the below summary represents aggregated statewide annual data reported by credit access businesses (CABs) as of 5/1/2024. The OCCC reviewed the data for reasonableness. The OCCC may receive amended or corrected data submissions and periodic revisions are published when significant. The OCCC will request verification from the licensee of any data that is found to be questionable or unreasonable.

Section 83.5001 of the Texas Administrative Code requires CABs to file annual data reports with the Office of Consumer Credit Commissioner (OCCC) identifying loan activity associated with

- single and installment deferred presentment (payday) loans, and
- single and installment auto title loans.

### Data Limitations

Data provided by reporting CABs reflects location-level activity for the identified year. Each licensed location is treated as an individual reporting unit. If data was compiled from individual customers, it could produce different results.

The data presented in the following summary represents CAB submissions via electronic and manual reporting, to include any corrected data, of annual activity as of May 1, 2024.
