

*Title 7, Texas Administrative Code
Part 1. Finance Commission of Texas
Chapter 7. Texas Financial Education Endowment Fund*

The Finance Commission of Texas (commission) proposes amendments to §7.101 (relating to Applicability and Purpose), §7.103 (relating to TFEE Grant Program), §7.104 (relating to TFEE Gifts and Donations), and §7.105 (relating to TFEE Fund Management) in 7 TAC Chapter 7, concerning Texas Financial Education Endowment Fund.

The rules in 7 TAC Chapter 7 govern the Texas Financial Education Endowment (TFEE). The Texas Legislature established TFEE in 2011, in order to support statewide financial education and consumer credit building activities and programs. The commission and the OCCC have established a grant program to promote the purposes of TFEE.

In general, the purpose of the proposed rule changes to 7 TAC Chapter 7 is to implement changes resulting from the commission's review of the chapter under Texas Government Code, §2001.039. Notice of the review of 7 TAC Chapter 7 was published in the *Texas Register* on August 2, 2024 (49 TexReg 5783). The commission received no comments in response to that notice.

The OCCC distributed an early precomment draft of proposed changes to interested stakeholders for review. The OCCC received no informal precomments on the rule text draft.

The Texas Legislature passed SB 1371 in the 2023 regular legislative session. SB 1371 modernized, clarified, and corrected provisions of the Texas Finance Code

administered by the OCCC. In particular, SB 1371 relocated and amended the statutory provision that establishes TFEE. SB 1371 relocated this section from previous Texas Finance Code, §393.628 to current Texas Finance Code, §14.113. SB 1371 also amended Texas Finance Code, §14.113(b) to specify that funds in TFEE will be invested under the prudent business person standard described by the Texas Constitution, replacing previous language that referred to investing funds in the same manner as funds of the Employees Retirement System of Texas (ERS).

A proposed amendment to §7.101(a) would replace a reference to Texas Finance Code, §393.628 with an updated reference to Texas Finance Code, §14.113. This amendment would correct the statutory reference and implement SB 1371's relocation of the section, as described earlier in this preamble.

Proposed amendments to §7.103(g) would specify requirements for the longitudinal report that grantees file after the end of a two-year grant cycle. The proposed amendments would specify that the longitudinal report is comprehensive, that the report must describe activity performed under the grant agreement, and that the report is due on June 30 following the end of the grant cycle. The proposed amendments are intended to clarify requirements for grantees and to provide a more specific deadline for the report.

Proposed amendments throughout §7.104(a) would replace references to Texas Finance Code, §393.628 with updated

references to Texas Finance Code, §14.113. These amendments would correct statutory references and implement SB 1371's relocation of the section, as described earlier in this preamble.

A proposed amendment to §7.105 would replace a reference to Texas Finance Code, §393.628(b) with an updated reference to Texas Finance Code, §14.113(b). Another proposed amendment to §7.105 would replace the current reference to the ERS investment standard with a reference to the prudent person standard described by the Texas Constitution. These amendments would implement the changes contained in SB 1371, as described earlier in this preamble.

Mirand Diamond, Director of Licensing, Finance and Human Resources, has determined that for the first five-year period the proposed rule changes are in effect, there will be no fiscal implications for state or local government as a result of administering the rule changes.

Huffman Lewis, Director of Consumer Protection, has determined that for each year of the first five years the proposed amendments are in effect, the public benefits anticipated as a result of the changes will be that the commission's rules will be more easily understood by persons required to comply with the rules, and will be consistent with legislation recently passed by the Texas Legislature.

The OCCC does not anticipate that the proposed rule changes will result in any economic costs to persons who are required to comply with the proposed rule changes.

The OCCC is not aware of any adverse economic effect on small businesses, micro-

businesses, or rural communities resulting from this proposal. But in order to obtain more complete information concerning the economic effect of these rule changes, the OCCC invites comments from interested stakeholders and the public on any economic impacts on small businesses, as well as any alternative methods of achieving the purpose of the proposal while minimizing adverse impacts on small businesses, micro-businesses, and rural communities.

During the first five years the proposed rule changes will be in effect, the rules will not create or eliminate a government program. Implementation of the rule changes will not require the creation of new employee positions or the elimination of existing employee positions. Implementation of the rule changes will not require an increase or decrease in future legislative appropriations to the OCCC, because the OCCC is a self-directed, semi-independent agency that does not receive legislative appropriations. The proposal does not require an increase or decrease in fees paid to the OCCC. The proposal would not create a new regulation. The proposal would expand current §7.103 by specifying requirements for the six-month longitudinal report following the end of a grant programming cycle. The proposal would not limit or repeal an existing regulation. The proposed rule changes do not increase or decrease the number of individuals subject to the rule's applicability. The agency does not anticipate that the proposed rule changes will have an effect on the state's economy.

Comments on the proposal may be submitted in writing to Matthew Nance, General Counsel, Office of Consumer Credit Commissioner, 2601 North Lamar Boulevard, Austin, Texas 78705 or by email to rule.comments@occc.texas.gov. To be

considered, a written comment must be received on or before the 30th day after the date the proposal is published in the *Texas Register*. After the 30th day after the proposal is published in the *Texas Register*, no further written comments will be considered or accepted by the commission.

The rule changes are proposed under Texas Finance Code, §14.113, which authorizes the commission to adopt rules to administer the Texas Financial Education Endowment. In addition, Texas Finance Code, §11.304 authorizes the commission to adopt rules necessary to supervise the OCCC and ensure compliance with Texas Finance Code, Title 4.

The statutory provisions affected by the proposal are contained in Texas Finance Code, Chapter 14.
