

Business Operation Plan

Commercial Sales-Based Financing

Entity Name or Name of Owner/Sole Proprietor

Trade Name (Leave Blank If Not Applicable)

Applicants should complete the section below with a brief narrative explaining:

1. The source of the business customers,
2. The purpose of the financing,
3. The size of the financing transactions,
4. Source of operating capital (*funds used for day-to-day business operations and expenses*),
5. If the applicant will arrange or negotiate transactions for another provider or financing entity, the business plan must also provide:
 - 5a. a complete list of these providers,
 - 5b. the confirmation of collection locations (*physical locations where the business collects money*),
 - 5c. if servicing will occur, a detailed description of the collection process including identifying the servicer.
